# Wessex Fantasy Football 2020/21
# The Rules

You will only need to enter The Wessex Fantasy Football 2020/21 once if you wish to play for the whole season. However, you can also enter the competition month by month. If you wish you can enter a different set of teams each month for the 9 months, the competition runs. You will need to choose four teams from each of the six leagues. *(Giving you 24 teams in total). Then you need to pick three Jokers from the teams you have already picked, and you will get double points for those three teams. (Please note- This is different to previous seasons).*

Point's allocation each month will be as follows.

**League games:** Home win = 10pts, Away win = 20pts, Home Draw = 2pt, Away Draw = 4pts. -5pts for a defeat.
Every goal scored = 1pt. If your team scores 4 or more goals, you will receive a 5pt goal bonus. (This also applies if your team loses) If one of your teams concedes 4 goals -5pts will be applied. Also -1 point for every goal you concede if you lose your game.

**Cup games:** Home win = 10pts, Away win = 20pts, Home Draw = 2pt, Away Draw = 4pts.
*(Cup replays are scored the same as cup games, however any goals scored through penalty shootouts will not carry any points it will just be used to determine the replay winner). Again, as above a defeat will bring you -5pts.*
Every goal scored = 1pt. If your team scores 4 or more goals, you will receive a 5pt goal bonus. (This also applies if your team loses) If one of your teams concedes 4 goals -5pts will be applied. Also -1 point for every goal you concede if you lose your game.

**Clean Sheet Bonus:** Every team that wins a game and gets a clean sheet will be awarded 5 bonus points for the clean sheet. *(0-0 draws will count).*
